To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County.

Local Items. Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores.

THE attention of the public generally and the ladies in particular is called to advertisement in another column.

OUR paper is filled to-day with the Governor's Message and the proceedings of the Legislature.

STATE ELECTION.—Pennsylvania, Ohio, and Indiana, will hold their State Elections to-morrow.

CLERK OF THE HOUSE.—John H. Flagg, Esq., the Chief Clerk of the House, has, by four years of honorable service in his present position.

LARGE SALE OF BUTTER.—Forty-five tubs of butter will be sold at public Auction, by U. S. Marshall, Hugh Henry, at the Freight Depot, to-morrow forenoon.

GOT HIS DESERTS.—Before Justice Hollenbeck on Friday, was arraigned Daniel Miller, charged with assaulting Capt. J. J. Bain of this city, on Thursday.

MUSICAL INSTRUMENTS.—The piano forte has long been the popular home and concert instrument, yet in point of swelling and sustaining the tones is extremely defective.

THE POOR MAN'S FRIEND.—Doctor's pills are too long for a poor man's pocket, but many of them may be avoided by keeping GRACE'S CELEBRATED SALVE in the cupboard.

ANOTHER CLERGYMAN WRITES AS FOLLOWS: My voyage to Europe is indefinitely postponed. I have discovered the "Fountain of Health" on this side of the Atlantic.

FOR SALE.—A pleasantly located residence in St. Albans, with one or two acres of land may be desired.

FOR SALE.—A very fine Piano, 7 1/2 octaves, Rosewood case, carved legs, &c.

FOR SALE.—A very fine Piano, 7 1/2 octaves, Rosewood case, carved legs, &c.

WOMAN.

FEMALES, OWING TO THE PECULIAR and important relations which they sustain, their peculiar organization, and the offices of their bodies, are subject to various diseases from these causes in a much greater degree than their male associates.

HEALTHFUL EXTRACT OF BROWN.—Hundreds suffer on disease, and hundreds of others apply vainly to druggists and doctors, who either ignorantly fail to cure them, or who, by their treatment, do but make their disease more obstinate.

THE HARTFORD POST of Wednesday evening says that it has now heard from every town in Connecticut, and the summing up is as follows: Republican towns, 53; Democratic towns, 63; divided, 7.

General Kilpatrick, in a recent speech, made the following declaration: "I told Horatio Seymour to his face in 1853 that he was the head and front of the riots, and that the Government ought to send him under guard to Fort Lafayette.

The New York Sun says the betting on the Pennsylvania election now stands at one thousand on the Republican ticket to seven hundred on the Democratic.

PULTON MARKET.—Just received, a nice lot of Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons, and Muskmelons.

New York, August, 7th, 1868. MR. EDITOR.—Several of your correspondents, very old and respectable no doubt, seem to be wonderfully exercised as to the origin of our PLANTATION BITTERS.

Long before the ability to exercise the functions of the generative organs, they require an education of their peculiar nervous system, composed of what is called the tissue, which is in common with the female breast and hips.

For Female Weakness and Debility, Whites or Leucorrhoea, Too Profuse Menstruation, Exhaustion, Too Long Continued Periods, for Propagation and Bearing Down, or Prolapsus Uteri, we offer the most perfect medicine known: HELMOLD'S COMPOUND EXTRACT OF BICARB.

MAGNOLIA WATER.—Superior to the Best Imported German Cologne, and sold at half the price.

A friend of ours trod on a rusty nail which penetrated his foot for about one inch. He used Renne's Pain Killing Magic Oil thoroughly, and cured it without trouble.

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle). Price One Dollar. Every Druggist sells it.

BURLINGTON BUSINESS COLLEGE.—The fall term of this College will open October 5th, and continue in session during the year.

Let those who have detected the premature evidences of age—the tell-tale whitening of the locks, the unnatural thinning of the covering which nature designed to be preserved to the period of dissolution, lose no time in securing a bottle of "Barrett's Vegetable Hair Restorative," the great antidote to baldness, gray hair, and wigs.

THE POOR MAN'S FRIEND.—Doctor's pills are too long for a poor man's pocket, but many of them may be avoided by keeping GRACE'S CELEBRATED SALVE in the cupboard.

FOR THE VERMONT TRANSCRIPT. LATEST NEWS! Still Later from South America.

New York, Oct. 12. A Lima letter says, a vote of thanks has been passed by Congress to the people of Chili, and to the Ministers of the U. States and France, in Peru, together with our admiral in these waters, for their prompt and efficient assistance to the unfortunate of South America.

Provisions are abundant. The railway between Tacuma and Arica is being rapidly rebuilt, but still earthquakes are prevalent.

It is proposed to rebuild Arica at some distance from its former site to avoid, as far as possible, the danger from earthquakes.

The British and Chilean vessels of war sent their crews ashore to aid the authorities in clearing the streets of fallen buildings.

A Valparaiso letter states that the earthquake of the 13th ult. was felt in the Island of Juan Fernandez. The sea, leaving its natural limits, precipitated with great force upon the island, and carried canoes, &c. far into the interior.

No lives were lost. The steamer City of London arrived from Liverpool on this a.m.

Howell Cobb's body has been removed to a Savannah steamer, and will be taken to Georgia for interment. It is accompanied by his family.

A CARD. I take this opportunity to return my most hearty thanks for the very liberal patronage which has been extended to me by the good people of this Town and County.
